

Dear Store Manager

I currently order Kestrel Growth Brands products online and would find it easier and more beneficial if it was available on your shelves.

Kestrel Growth Brands is a line of gourmet products that is all natural, organic, gluten free and includes the nationally recognized brands of Singing Dog Vanilla, Red Ape Cinnamon and Pohnpei Pepper.

Please contact their office at (888) 343-0002 so that my next purchase can be placed at your store while doing my normal shopping.

Thank you,
