

### Did you know?

A vanilla orchid blooms for less than four hours and if hand pollinated during this brief period it will produce one vanilla bean that will be ready for harvest nine months later.

### Fair Trade Plus+®

We are committed to business practices that are mindful of the environment and the well being of our partner farmers. We share a portion of all sales with our vanilla farmers.

This package is made from 100% recycled materials and non-toxic glue. The inner bag can be composted.
